Chairman, Progressive Education Society, Pune 5

Progressive Education Society is a reputed educational Corporate Body in the State of Maharashtra, which is working in the field of education for last 84 years. It is a well-known and prestigious educational Corporate Body in the city of Pune. P. E. Society is catering to the education from the Nursery, in Marathi and English Medium, to the post graduate education in Science, Arts, Commerce, Management, Engineering, Computer Science, Special Education, Pharmacy, Agriculture Biotechnology and Law Faculty under the auspices of the Society.

Modern Institute of Business Management was established with a great enthusiasm during the academic year 2010-11. Right from its inception, the response of the students is excellent.

The current academic year is 9th year of Modern Institute of Business Management since the inception. Within these nine years, MIBM has made overall academic impact in the P. E. Society and Management institutes across the city.

I am glad that after successful accomplishment of the Five National Conferences, MIBM has organized 6th National Conference on the theme “Skills & Education”. I am also happy to note that e-version of the Journal has been launched from this year. I appreciate the efforts of all the members of Modern Institute of Business Management that during its 3rd year they have started Research Journal “Paridnya - The MIBM Research Journal” bearing Print ISSN 2347-2405 and this year MIBM is launching “e-Paridnya - The MIBM Research Journal” with Online ISSN 2457-0281. This Research Journal will be devoted to the research articles of academicians and professionals.

I wish best of luck to this academic effort of P. E. Society’s Modern Institute of Business Management on behalf of all the members of Business Council of Progressive Education Society, Pune.
